

6120 International MaterialDataSystem - Basics 1

Goal

You know the background and goals of the InternationalMaterial-DataSystem (IMDS) and you understand your data responsibility as a member of the supply chain. You are familiar with the terms and definitions of the IMDS and you know its scope of applications. You are able to orientate yourself within the IMDS and you are able to create simple tree structures by yourself. You can use the basic functionalities: The creation and submission of material data sheets (MDS). You know the search mechanism to find correct data sheets and you know how to integrate them into your tree structure.

Training content

- History and background of the IMDS
- Introduction into the IMDS
 - Registration of a company in the IMDS
 - Data flow from senders to recipients and data visibility
 - Security concept and confidentiality
 - IMDS-guidelines at a glance
- Definitions
 - Material data sheet (MDS) and modules
 - Basic substances list, GADSL and SVHC in the IMDS
 - Process chemicals in IMDS
 - Components, sub-components, materials, basic substances
 - Modules, product tree structures, nodes
- Creation of tree structures
 - Creation and integration of own data
 - Check and integration of received supplier data
 - Check and integration of published data
 - Usage of jokers
 - Internal check routines
 - Material Substance Check
- Processes
 - MDB-actions (internal release, send, publish, propose, forward)
 - Version controls, copying, deleting
 - Sent MDS
 - Received MDS

Training method

Presentation with practical exercises of the creation and submission of MDS.

Participants

You would like to use the IMDS and you need a basic knowledge therefore.

Requirements

Basic knowledge in the use of PC's and the internet.

Training duration

1 day, from 9 a.m. to 5 p.m.

Maximum number of participants: 12

Personal training licence

In our trainings you work on the special training system of EDS. Additionally you receive a cost-free ID for a personal training licence valid for 4 weeks after the training.

Certificate

As a participant of our authorised IMDS-trainings you receive a personal certificate to prove your IMDS-qualification.

Training documents

You receive a personal exemplar of the presentation that is used in our training as well as a copy of the user manual developed by EDS. Further information can be found in our download-area in the internet. Here you may also order our IMDS-expert information.

Public training

Current prices and dates can be found on our internet site www.imds-professional.com.

Exclusive training

You can also book this training exclusively. Then we would charge a daily fee. Your advantage: You set time, place and number of participants. If preferred we also take over the whole organisation for you.

We also provide you with our room facilities and technics. If preferred, we also take care about service and catering.

Please request your personal offer:

Tel +49 6083 91 30 30 Fax +49 6083 91 30 930
info@imds-professional.com

To feel certain with the IMDS and to be able to create also complex tree structures we recommend the attendance of our training "IMDS-Basics 2".

Your advantage:

If you book Basics 1 and 2 altogether, you will receive a discount of 10%.
